Minutes	Action
Introduction of Committee All: Introduction of members and roles KG: New roles pinned down which we didn't have before. Introduction of members who are absent. SK: Request for one pager for committee members details.	DL
Proposal for associate memberships KG: MSC has no members for next season. Proposal that anyone with membership and season ticket is associate member. Would like to offer enhanced memberships in the future but don't know what to offer. SK: MSC should not be reliant on club. Fan Engagement Fund is there for MSC too but still should be self-sufficient so MSC can challenge decisions. SK: Fan on the Board role needs to be clarified and agreed. The role needs to be structured as the appointed person will change after 2 years.

Middlesbrough kick off time

KG: Last train back is 18:55 and fans have already bought train tickets.

SK: Difficult situation and Club have similar problems to ensure players match prep and warm downs not impacted. MSC need to find out how many people have bought in advance of tickets going on sale and then approach train companies to seek assistance.
